Welcome to Open Enrollment for your 2018 Benefits!

Dear Employee,

Cheyenne Village offers you and your eligible family members a comprehensive and valuable benefits program. We encourage you to take the time to educate yourself about your options and choose the best coverage for you and your family, keeping in-mind the following factors:

- Elections you make during open enrollment will become effective January 1, 2018.
- This is the only time during the year that you have an opportunity to add, delete or make changes to your existing coverage.
- The only exception to this rule is a Qualifying Event (QE) such as marriage, divorce, birth/adoption or loss of other coverage. If you have a QE during the course of the year, you may be able to make changes to your plan outside of open enrollment but will need to notify HR immediately and complete the appropriate enrollment/change forms within 30 days of that event, otherwise you will not be able to make changes until open enrollment 2019.

****Please note the tables in this document are not a complete listing of benefits. Please see the summaries of each benefit for more details****

Who is Eligible?

- All full time permanent employees are eligible to enroll.
- Benefits eligibility begins **first of the month following 60 days from date of hire.**
- Dependents are defined as Spouse and/or Child(ren).
- Children are defined as less than 26 years of age regardless of financial or student status.

How to Enroll & Make Changes

- The first step is to review your benefits package offerings.
- You must complete the necessary forms and return them to HR as soon as possible.
- **All employees must fill out an enrollment form either electing or waiving coverage for all benefits.**
- Once you have made your elections, you will not be able to change them until the next open enrollment period unless you have a qualified change in status.

When to Enroll for Open Enrollment

- The benefits you elect during open enrollment will be effective from **January 1, 2018 – December 31, 2018**
- All Election/Changes Forms should be returned to HR.

How to Make Future Changes

- Unless you have a qualified change in status, you cannot make changes to the benefits you elect until the next open enrollment period.
- Qualified changes in status include: marriage, divorce, legal separation, birth or adoption of a child, change in child's dependent status, death of spouse, child or other qualified dependent, change in residence due to an employment transfer for you or your spouse, commencement or termination of adoption proceedings, or change in spouse's benefits or employment status.
- If you experience one of these status changes please notify HR within 30 days of the event to obtain the appropriate forms for enrollment.

Your Ability to Earn an Income May Be Your Most Important Asset

Most people don't think twice about insuring their home, automobile or health. However, many people don't recognize just how important it is to insure their income.

We've Got You Covered

As an active employee of Cheyenne Village, Inc, you have access to a disability insurance policy from United of Omaha Life Insurance Company.

A lengthy disability can be devastating, and is more common than you might think. It may lead to a loss of income, independence and financial security.

A disability insurance policy can help provide security when you need it most. It pays you cash benefits when you're sick or hurt and can't work.

Coverage guidelines and benefits are outlined in the chart below.

AGE REDUCTIONS AND EXCLUSIONS

Insurance benefits and guarantee issue amounts are subject to age reductions:

- At age 65, amounts reduce to 65%
- At age 70, amounts reduce to 50%

Spouse coverage terminates when you reach age 70.

Life insurance benefits will not be paid if the insured's death is the result of suicide within one year from the date coverage begins. If this occurs, the sum of the premiums paid will be returned to the beneficiary. The same applies for any future increases in coverage under this plan.

Please contact your employer if you have questions prior to enrolling.

Voluntary Term Life Coverage Selection and Premium Calculation

Please note that the premium amounts presented below may vary slightly from the amounts provided on your enrollment form, due to rounding.

To select your benefit amount and calculate your premium, do the following:

- 1) Locate the benefit amount you want from the top row of the employee premium table. Your benefit amount must be in an increment of \$10,000. Refer to the Coverage Guidelines section for minimums and maximums, if needed.
- 2) Find your age bracket in the far left column.

3) Your premium amount is found in the box where the row (your age) and the column (benefit amount) intersect.

4) Enter the benefit and premium amounts into their respective areas in the Voluntary Life section of your enrollment form.

If the benefit amount you want to select is greater than any amount in the table below, select the benefit amount from the top row that when multiplied by another number results in the benefit amount you want. For example, if you want \$150,000 in coverage, you obtain your premium amount by multiplying the rate for \$50,000 times 3.

Flexible Spending Account – 24 Hour Flex

A health care flexible spending account or FSA, lets you set aside money from your paycheck, before it is taxed, to pay for eligible health care expenses.

How the FSA Works

1. Estimate your expenses for the year. Then decide how much money you want to set aside.
2. You will enroll in the FSA when you enroll in your benefits. **You must re-enroll each year even if you are not making any changes.**
3. Money will be set aside from each paycheck after the plan year starts and put into your FSA. You pay no taxes on that amount.

Types of FSA Accounts

1. **Health Care Accounts:** Can be used to pay for eligible medical expenses. (For example: Prescribed drugs, dental or vision expenses, medical copays)
2. **Dependent Care Accounts:** Can be used to pay for care of dependent children under age 13 by a babysitter, day care center, or before-school or after-school program. Care for a disabled spouse, parent or child over age 12 is also eligible for reimbursement.

Contribution Limits for 2018

\$2,650	Health FSA (January – December)
\$5,300	Dependent Care FSA (January – December)

The information in this Benefit Guide is presented for illustrative purposes. Information contained in this booklet was taken from various summary plan descriptions and benefit information supplied by the employer. While every effort was taken to accurately report your benefits, discrepancies or errors are always possible. In case of discrepancy between the Guide and the actual plan documents the actual plan documents will prevail. If you have any questions about your Guide, contact Human Resources.

Annual Notices:

Newborns' and Mothers' Health Protection Act (NMHPA)

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Women's Health and Cancer Rights Act (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator.

Patient Protection Choice of Providers

In cases where the Group Health Plan allows or required a participant to designate a primary care provider, the participant has the right to designate any primary care provider who participates in the network and who is available to accept the participant or participant's family members.

Until you make this designation, the Group Health may designate a primary care provider automatically. For information on how to select a primary care provider, and for a list of the participating primary care providers, you can contact your Employer Representative.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Group Health Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your plan administrator.

Individual Mandate

Beginning in 2014, the Affordable Care Act (ACA) requires most individuals to obtain acceptable health insurance coverage for themselves and their family members or pay a penalty. This rule is often referred to as the "individual mandate." Individuals may be eligible for an exemption from the penalty in certain circumstances.

How Much Is the Penalty?

The penalty for not obtaining acceptable health insurance coverage will be phased in over a three-year period, and is the greater of two amounts—the "flat dollar amount" and "percentage of income amount." The penalty will start at \$95 per person or up to 1 percent of income for 2014. Income for this purpose is the taxpayer's household income minus the taxpayer's exemption (or exemptions for a married couple) and standard deductions. The penalty amount increases to \$325 or up to 2 percent of income in 2015. In 2016 and thereafter, the penalty increases to \$695 or up to 2.5 percent of income.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

Living in Colorado, you may be eligible for assistance paying your employer health plan premiums. You may contact the State for further information on eligibility –

HIPPA Privacy and Security

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have the right to inspect and copy protected health information that is maintained by and for the plan for enrollment, payment, claims and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the *Notice of Privacy Practices*, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact your plan administrator.

Special Enrollment Notice

This notice is being provided to make certain that you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Example: You waived coverage under this Plan because you were covered under a plan offered by your spouse's employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this Plan.

Marriage, Birth or Adoption

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

Example: When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this Plan. However, you must apply within 30 days from the date of your marriage.

Medicaid or CHIP

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

Example: When you were hired, your children received health coverage under CHIP and you did not enroll them in this Plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this Plan if you apply within 60 days of the date of their loss of CHIP coverage.

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Beginning in 2014, there is a new way to buy health insurance: the **Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

The 2016 open enrollment period for health insurance coverage through the Marketplace runs from Nov. 15, 2015, through Jan. 31, 2016. Individuals must enroll or change plans prior to Dec. 15, 2015, for coverage starting as early as Jan. 1, 2016. After Jan. 31, 2016, you can get coverage through the Marketplace for 2016 only if you qualify for a special enrollment period or are applying for Medicaid or the Children's Health Insurance Program (CHIP).

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5 percent of your household income for the year (9.56 percent for 2015), or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
