# Welcome to Open Enrollment for your 2019 Benefits!

Dear Employee,

Cheyenne Village offers you and your eligible family members a comprehensive and valuable benefits program. We encourage you to take the time to educate yourself about your options and choose the best coverage for you and your family, keeping in-mind the following factors:

- Elections you make during open enrollment will become effective January 1, 2019.
- This is the only time during the year that you have an opportunity to add, delete or make changes to your existing coverage.
- The only exception to this rule is a Qualifying Event (QE) such as marriage, divorce, birth/adoption or loss of other coverage. If you have a QE during the course of the year, you may be able to make changes to your plan outside of open enrollment but will need to notify HR immediately and complete the appropriate enrollment/change forms within 30 days of that event, otherwise you will not be able to make changes until open enrollment 2020.

**\*\*Please note the tables in this document are not a complete listing of benefits. Please see the summaries of each benefit for more details\*\***

## Who is Eligible?

- All full-time permanent employees are eligible to enroll.
- Benefits eligibility begins **first of the month following 60 days from your date of hire.**
- Dependents are defined as Spouse and/or Child(ren).
- Children are defined as less than 26 years of age regardless of financial or student status.

## How to Enroll & Make Changes

- The first step is to review your benefits package offerings.
- You must complete the necessary forms and return them to HR as soon as possible.
- **All employees must fill out an enrollment form either electing or waiving coverage for all benefits.**
- Once you have made your elections, you will not be able to change them until the next open enrollment period unless you have a qualified change in status.

## When to Enroll for Open Enrollment

- The benefits you elect during open enrollment will be effective from **January 1, 2019 – December 31, 2019**
- All Election/Changes Forms should be returned to HR.

## How to Make Future Changes

- Unless you have a qualified change in status, you cannot make changes to the benefits you elect until the next open enrollment period.
- Qualified changes in status include: marriage, divorce, legal separation, birth or adoption of a child, change in child's dependent status, death of spouse, child or other qualified dependent, change in residence due to an employment transfer for you or your spouse, commencement or termination of adoption proceedings, or change in spouse's benefits or employment status.
- If you experience one of these status changes, please notify HR within 30 days of the event to obtain the appropriate forms for enrollment.

## > Voluntary Term Life Insurance

### Help Protect What Matters – You, Your Family & Your Future

We understand you’ve worked hard to get where you are today. Ensuring your loved ones can maintain financial stability if an unexpected death should occur is something to consider when planning for the future.

#### We’ve Got You Covered

As an active employee of Cheyenne Village, Inc, you have access to a life insurance policy from United of Omaha Life Insurance Company.

It replaces the income you would have provided, and helps pay funeral costs, manage debt and cover ongoing expenses.

#### How much insurance is enough?

When determining how much life insurance you need, think about the expenses you may encounter now and through every stage of your life.

Coverage guidelines and benefits are outlined in the chart below.

#### ELIGIBILITY - ALL ELIGIBLE EMPLOYEES

<b>Eligibility Requirement</b>	You must be actively working a minimum of 30 hours per week to be eligible for coverage.
<b>Dependent Eligibility Requirement</b>	To be eligible for coverage, your dependents must be able to perform normal activities, and not be confined (at home, in a hospital, or in any other care facility), and any child(ren) must be under age 21, or 25 if a student. In order for your spouse and/or children to be eligible for coverage, you must elect coverage for yourself.
<b>Premium Payment</b>	The premiums for this insurance are paid in full by you.

#### COVERAGE GUIDELINES

	Minimum	Guarantee Issue	Maximum
<b>For You</b>	\$10,000	7 times annual salary, up to \$100,000	7 times annual salary, up to \$500,000
<b>Spouse</b>	\$5,000	100% of employee’s benefit, up to \$20,000	100% of employee’s benefit, up to \$150,000
<b>Children</b>	\$2,000	100% of employee’s benefit	100% of employee’s benefit, up to \$10,000

Subject to any reductions shown below. Guarantee Issue is available to new hires. Amounts over the Guarantee Issue will require a health application/evidence of insurability. For late entrants, all amounts will require a health application/evidence of insurability.

<b>BENEFITS</b>	
<b>Life Insurance Benefit Amount</b>	<p>Within the coverage guidelines defined above, you select the amount of life insurance coverage you want.</p> <p>This plan includes the option to select coverage for your spouse and dependent children. Children include those, up to age 21 (25 if a full-time student).</p> <p>In the event of death, the benefit paid will be equal to the benefit amount after any age reductions less any living care/accelerated death benefits previously paid under this plan.</p>
<b>FEATURES</b>	
<b>Living Care/ Accelerated Death Benefit</b>	80% of the amount of the life insurance benefit is available to you if terminally ill, not to exceed \$100,000.
<b>Waiver of Premium</b>	If it is determined that you are totally disabled, your life insurance benefit will continue without payment of premium, subject to certain conditions.
<b>Annual Benefit Amount Increase</b>	If you enroll for even the minimum amount of coverage during your initial enrollment, you have the ability to enroll for additional coverage at your next enrollment by up to \$20,000, provided the total amount of insurance does not exceed your maximum benefit amount. This feature allows you to secure additional life insurance protection in the event your needs change (ex. you get married or have a child).
<b>Portability</b>	Allows you to continue this insurance program for yourself and your dependents should you leave your employer for any reason, without having to provide evidence of insurability (information about your health). You will be responsible for the premium for the coverage.
<b>Conversion</b>	If your employment ends, you may apply for an individual life insurance policy from Mutual of Omaha without having to provide evidence of insurability (information about your health). You will be responsible for the premium for the coverage.
<b>SERVICES</b>	
<b>Hearing Discount Program</b>	The Hearing Discount Program provides you and your family discounted hearing products, including hearing aides and batteries. Call 1-888-534-1747 or visit <a href="http://www.amplifonusa.com/mutualofomaha">www.amplifonusa.com/mutualofomaha</a> to learn more.

If this occurs, the sum of the premiums paid will be returned to the beneficiary. The same applies for any future increases in coverage under this plan.</p> <p>Please contact your employer if you have questions prior to enrolling.</p>	

## Voluntary Term Life Coverage Selection and Premium Calculation

Please note that the premium amounts presented below may vary slightly from the amounts provided on your enrollment form, due to rounding.

**To select your benefit amount and calculate your premium, do the following:**

- 1) Locate the benefit amount you want from the top row of the employee premium table. Your benefit amount must be in an increment of \$10,000. Refer to the Coverage Guidelines section for minimums and maximums, if needed.
- 2) Find your age bracket in the far left column.

- 3) Your premium amount is found in the box where the row (your age) and the column (benefit amount) intersect.
- 4) Enter the benefit and premium amounts into their respective areas in the Voluntary Life section of your enrollment form.

If the benefit amount you want to select is greater than any amount in the table below, select the benefit amount from the top row that when multiplied by another number results in the benefit amount you want. For example, if you want \$150,000 in coverage, you obtain your premium amount by multiplying the rate for \$50,000 times 3.

EMPLOYEE PREMIUM TABLE (24 PAYROLL DEDUCTIONS PER YEAR)										
Age	\$10,000	\$20,000	\$30,000	\$40,000	\$50,000	\$60,000	\$70,000	\$80,000	\$90,000	\$100,000

Follow the method described above to select a benefit amount and calculate premiums for optional dependent spouse and/or child(ren) coverage. **Your spouse's rate is based on your age**, so find your age bracket in the far left column of the Spouse Premium Table. Your spouse's premium amount is found in the box where the row (the age) and the column (benefit amount) intersect. Your spouse's benefit amount must be in an increment of \$5,000. Refer to the Coverage Guidelines section for minimums and maximums, if needed.

# Annual Notices:

## Newborns' and Mothers' Health Protection Act (NMHPA)

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## Women's Health and Cancer Rights Act (WHCRA)

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, call your plan administrator.

## Patient Protection Choice of Providers

In cases where the Group Health Plan allows or required a participant to designate a primary care provider, the participant has the right to designate any primary care provider who participates in the network and who is available to accept the participant or participant's family members.

Until you make this designation, the Group Health may designate a primary care provider automatically. For information on how to select a primary care provider, and for a list of the participating primary care providers, you can contact your Employer Representative.

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from the Group Health Plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your plan administrator.

## Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

## HIPAA Privacy and Security

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have the right to inspect and copy protected health information that is maintained by and for the plan for enrollment, payment, claims and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the *Notice of Privacy Practices*, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact your plan administrator.

## Special Enrollment Notice

This notice is being provided to make certain that you understand your right to apply for group health coverage. You should read this notice even if you plan to waive health coverage at this time.

### **Loss of Other Coverage**

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this Plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Example: You waived coverage under this Plan because you were covered under a plan offered by your spouse's employer. Your spouse terminates employment. If you notify your employer within 30 days of the date coverage ends, you and your eligible dependents may apply for coverage under this Plan.

### **Marriage, Birth or Adoption**

If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, or placement for adoption.

Example: When you were hired, you were single and chose not to elect health insurance benefits. One year later, you marry. You and your eligible dependents are entitled to enroll in this Plan. However, you must apply within 30 days from the date of your marriage.

### **Medicaid or CHIP**

If you or your dependents lose eligibility for coverage under Medicaid or the Children's Health Insurance Program (CHIP) or become eligible for a premium assistance subsidy under Medicaid or CHIP, you may be able to enroll yourself and your dependents. You must request enrollment within 60 days of the loss of Medicaid or CHIP coverage or the determination of eligibility for a premium assistance subsidy.

Example: When you were hired, your children received health coverage under CHIP and you did not enroll them in this Plan. Because of changes in your income, your children are no longer eligible for CHIP coverage. You may enroll them in this Plan if you apply within 60 days of the date of their loss of CHIP coverage.

## New Health Insurance Marketplace Coverage Options and Your Health Coverage

Beginning in 2014, there is a new way to buy health insurance: the **Health Insurance Marketplace**. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

### **What is the Health Insurance Marketplace?**

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away.

### **Can I Save Money on my Health Insurance Premiums in the Marketplace?**

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### **Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?**

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards.

If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5 percent of your household income for the year (9.56 percent for 2015), or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. (An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.)

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit **HealthCare.gov** for more information, as well as an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.
